Privacy Policy

Welcome to our program website. You are encouraged to review this Privacy Policy whenever you visit the site to ensure that you understand how any personal information you provide will be used.

Information About You

When you visit this site, you may share information with us using internet technology (such as cookies), through forms on this site (such as a contact form) and by other means. This Privacy Policy explains how we use the personal information we collect on our website. Please read this policy, and if you have questions, know that we welcome your inquiry. By using our website, you accept the practices described on this page and in our Terms and Conditions.

Information Collection

Information will be collected via your use of our services as well as what you provide to us. When you visit our website, certain information is automatically collected about your device, which may include information about your web browser, IP address, location, and similar information. This data may include cookies and similar technology. This data will be used both to improve our website and your interaction with it. Aggregate tracking data may be shared with other parties as part of this process. We may also collect your information as it is shared via forms and other interactive elements, both to contact you and to process your requests or transactions.

Information Sharing, Use and Retention

We may be required to share information with governmental agencies or other companies during such activities as fraud prevention or investigation. Information provided via form/s may also be provided to

the conference/event organizer/s for purposes limited to this specific conference or event for which you are registering.

Information Access and Editing

You may request a copy of the personal information we maintain about you and to ask that your personal information be corrected, updated, or deleted. If you would like to exercise this right, please contact us directly.

Changes to Privacy Policy

We will regularly review our Privacy Policy to comply with current regulation, best practices, and the best interest of our customers. We will make changes to our practices and post changes to this Privacy Policy page as needed.
